# Hidden Secrets in the Gospel

Part – VIII

**W** **HENEVER** we try to find out the intensity of the Word of God our hearts are enlightened, inspired, kindled, ignited and ablazed. We are extremely grateful to the Lord Christ for the mysteries.

**"The Secret of the Lord is with them that fear Him; and He will shew them His covenant." – Psalm 25:14.**

It is quite imminent to know the hidden divine secrets and we are supposed to wait at His feet with all humility and with the spirit of submission.

**"The secret things belong unto the Lord our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law." – Deut. 29:29.**

Our precious Lord, you look unto the people who tremble before the Word of God. When you think you know everything He would never look unto you. You would become a stiff necked person and all sorts of weaknesses, sicknesses ill feelings and debt problem will arise in your life. Now a day a large number of people are mentally retarded.

**"For the forward is abomination to the Lord: but His secret is with the righteous." – Prov. 3:32.**

Only those who are righteous will find out the secret of God. I beg of you to read the Holy Bible very carefully and with great fear of God. Many people think that it is below their dignity to carry the Holy Bible in their hands. Please don't be offended but I tell you the truth. If you are not able to carry the Holy Bible in your heart and in your hand you are really very foolish in the sight of God. So many foolish people don't return back home happily. Everywhere the evil spirits are encircling to devour the precious people of God. Please don't think that you are simply going into the world. You must be aware of the fact that the whole world is covered by the innumerable invisible evil angels which we call them demons and the evil spirits. Whenever you take the Holy Bible and meditate the word of God even on your way to your office, school, college and to the work spot and immediately a large number of holy angels will encircle you. Praise the Lord! Alleluia! If you reject this counsel of God you will fall prey into the hands of the devil. Be careful! Never forget to carry the Holy Bible. Whenever you find time read the same and reverberate in your heart which is the citadel of God.

In this New Year I wish to tell you something very very beautiful. When I spent a lot of time at the feet of God with tears our precious Lord revealed many things. In case if the Lord would reveal more than me I would simply praise God for these living saints with whom the Lord reveal more. Whenever we begin to dig the earth the gold, silver, brass and costly things come forth. When we go deeper and deeper then we receive more and more.

God told Noah to prepare an ark and Noah the man of God prepared a beautiful ark.

**"Make thee an ark of gopher wood; rooms shalt thou make in the ark, and shalt pitch it within and without with pitch. A window shalt thou make to the ark, and in a cubit shalt thou finish it above; and the door of the ark shalt thou set in the side thereof; with lower, second, and third stories shalt thou make it." – Genesis. 6:14, 16.**

The family of Noah, the animals and the birds entered into the ark to be preserved in the midst of the floods. God opened the door of heaven and the door of the earth. The flood was rising. It is not the rain which had brought forth the flood. Even the earth also obeyed the voice of God. The heaven was opened. The flood was rising to the highest extend to cover all the mountains of the earth. Praise the Lord! Just to protect the 8 souls our precious Lord prepared such a big ark. Of course the animals, birds and the other things were also kept inside the ark.

**"They did eat, they drank, they married wives, they were given in marriage, until the day that Noah entered into the ark, and the flood came, and destroyed them all." – St. Luke 17:27.**

Our Lord and Saviour Jesus Christ who is the God of compassion said this word as a warning. It is a fact Christ forgives the sinners because He has the authority to forgive the sinners and save the people from the peril. Yet He gave this warning that on the last days before the second coming of Christ people would drink, eat, marry and rejoice and they would be lazy. They would never glorify the Lord and they would never do a little piece of ministry for Christ. These are all animals. They know how to conduct the family so beautifully and they know

Ps. 125:5 Peace shall be upon Israel.

very well how to lead a comfortable life and they know how to receive honour and glory from the human beings. God has created man not to live for himself. God has a plan to each and every soul. When they are saved by the Blood of Christ they should try to save others who are perishing in this world of darkness.

I have seen many thousands of people coming into the Garden only for the physical healing and for the financial assistance. They would have a diary with the few names written and they would come forward for donation and they are not ashamed of themselves. Almost every day people come to the Garden for financial assistance and they don't have any job and they told me that they are doing God's service. It is a very strange thing that they are trying to do God's service going for begging from door to door. The name of God is being blasphemed everywhere in the midst of the gentiles.

**"For the name of God is blasphemed among the Gentiles through you, as it is written."**

**- Romans 2:24.**

Dearly beloved ones in the Lord, I heard the voice of God very clearly that every sweet home should be transformed as an ark of God.

During the days of Noah people had been accusing him and they were in drunkenness and fornication and all the people perished in the waters. The same thing will take place but as it was a covenant with Noah the world will not perish by water but by the fire of God.

**"Whereby the world that then was, being overflowed with water, perished: But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men." - II Peter 3:6, 7.**

Unless your home is transformed as an ark of God you shall certainly be destroyed. You may think that you belong to a family of high standard but you are nothing before God.

God commanded Moses and Aaron to prepare the ark of God. The ark of God was kept so that the Lord's anointed people would enter in and speak with God. God is consuming fire. We ought to give room for the Spirit of God to enter into our sweet home. The Lord commanded Israel very strictly that they should not make any graven images or molten images and He said repeatedly that it would be a curse unto Israel. **Exodus 20<sup>th</sup> Chapter and 28<sup>th</sup> Chapter.** In English and in Tamil ark means date and place of covenant with God. Golden crown, manna, seed, Cherubim unleavened bread were kept in that place. It is the holy will of God that He should commune with His children when they would enter into the ark of God. Seven candlesticks should burn within the ark of God. **Exodus 25:37.** Then there should be a veil to divide the holy place from the most holy place. The oil should be afresh. The light should be burning throughout 24 hours. **Exodus 28:2.** The special garments of righteousness were made for Aaron and his family.

**"And it shall be upon Aaron to minister: and his sound shall be heard when he goeth in unto the holy place before the Lord, and when he cometh out, that he die not." - Exodus 28:35.**

If Aaron would enter into the most holy place without sanctification he would die immediately. You may certainly think that these ordinances were done only in the Old Testament days.

**"Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered"**

**- Romans 8:26.**

Yes, we should do everything according to the new covenant with God. If we don't require the Old Testament then Jesus would not have spoken from the Old Testament. Christ referred even to the blood of Abel the righteous man of God. Where is the ark of God today? Your heart is the ark of God. We ought to be very careful to lead a very holy life. Otherwise we shall die in our own sins.

I was in Malaysia for 21 days and reached home on the 4<sup>th</sup> November 2001. We had 15 days Bible College from 5<sup>th</sup> Nov. 2001 and I had been teaching with the great fear of God. I found out the holy verse the "Dignity of God". When we try to tell the gospel we should try to bring out the 'Dignity of God'. On the 21<sup>st</sup> November 2001 I heard the voice of God very clearly, **"Redeeming the time, because the days are evil." - Ephesians 5:16.** During the days of Noah only 8 people were saved in the ark. But to lead six lakhs of people from Egypt they required one ARK specially built for Him. Do you know what had happened? The Philistines brought the ARK of God to their land and the idol which was called Dagon fell down and it was broken into two pieces. Again they kept the same ark in the same place and they kept their own idol Dagon. And on the next day the idol was broken into many pieces and so they returned back the ARK of God to Israel. I don't wish to offend anyone on this earth. Many people accused me and I was so patient and I never spoke ill of them and many of them died. You are the

ARK of God and I am the ARK of God. We have to bring the souls into His Kingdom provided the ARK is fitted within and with the help of the Holy Spirit.

If you don't have the Holy Spirit to teach within and without righteously you are useless. What is that water? It is the water of the world. It is the water of the wickedness. It is the water of disobedience. Whereas our Lord and Saviour Jesus Christ will give us the living waters. I would like to write more details about the ARK of God in the next issue.

## February - 2002

# Hidden Secrets in the Gospel

### Part – IX

"Dead flies cause the ointment of the apothecary to send forth a stinking savor: so doth a little folly him that is in reputation for wisdom and honour."- **Ecc. 10:1.**

Even today many saints have lost the integrity, tranquility, uprightness, holiness and righteousness of God. They wish to tell the world that they are the living saints.

**I Cor. 3:16.** God had chosen the son of King David to build a very beautiful temple and the Lord prospered him to build the beautiful temple of God in Jerusalem. King Solomon built the temple with pure gold. Kings, Queens, the Lords, Earls and the great men of the world including the Queen of Sheba came to see him and to hear his wisdom given by God. Yes, the whole world praised God for the manifold wisdom given to King Solomon.

**"Surely I will not come into the tabernacle of my house, nor go up into my bed; I will not give sleep to mine eyes, or slumber to mine eyelids, until I find out a place for the Lord, an habitation for the mighty God of Jacob."- Psalm 132:3, 4, 5.**

It was the burning desire of the King David to build a temple but the Lord didn't permit him to do so as he had shed more blood on this earth. The place of the temple-**I Chron. 21<sup>st</sup> Chapter.** They purchased the land from Ornan. It was a threshing floor to to remove the wheat, husk, dust and all the unwanted things.

**"For, I will command, and I will sift the house of Israel among all nations, like as corn is sifted in a sieve, yet shall not the least grain fall upon the earth."- Amos 9:9.**

Only the grains will fall at the feet of the master of the land. In the same way the Heavenly Father wanted the real seeds to come to his holy feet. Those who are prepared to be threshed in the threshing floor would come to the fold of God.

**"Then Solomon began to build the house of the Lord at Jerusalem in mount Moriah, where the Lord appeared unto David his father, in the place that David had prepared in the threshing floor of Ornan the Jebusite. And he began to build in the second day of the second month, in the fourth year of his reign." - II Chron. 3:1, 2.**

Where is this place? This is in mount Moriah. When I was in Jerusalem God gave me the privilege to see the model temple of Jerusalem. It was made of pure gold. Many thousands of tourists are visiting this place. No one was permitted to touch the little temple. I saw a large number of policemen guarding the temple. Though the Lord had chosen Solomon to build the temple the Kings of Judah and Solomon became unwise to build the temples for Molech, Ashtoreth, Chemosh, Milcom, Baal, etc. Jerusalem was defiled by the idols and the graven images.

**"For Solomon went after Ashtoreth, Goddess of the Zidonians, and after Milcom the abomination of the Ammonites. Then did Solomon build an high place for Chemosh, the abomination of Moah, in the hill that is before Jerusalem, and for Molech, the abomination of the children of Ammon." - I Kings 11:5, 7.**

Solomon was quite aware of the fact that the living God is Spirit Divine, Love Divine, Christ Divine, Fire Divine and He is the Consuming Fire. Solomon had the mystic experience of having apparition for three times. He

Zachariah 8:3 I am returned unto Zion, and will dwell in the midst of Jerusalem.

spoke with the living God and the Lord blessed him abundantly. Yet he allowed the dead flies to fall into the apothecary and his heart was defiled by the women. And God stirred the hearts of the adversaries Haded (***K Kings 11:14***), Rezon (***IKings 11:23***), Jeroboam (***I Kings 11:28***). Jeroboam who was his servant became his enemy and the Lord gave away 10 tribes to him. Nothing is hidden before the holy presence of God.

If the man would be righteous even the enemies would be subdued (***Prov. 16:7***). Solomon was a great friend of God. He was a chosen vessel of God. He was extremely wise. No one had had such an excellent knowledge and wisdom. When he lost control and the god of this world had blinded his eyes. He became foolish to fulfill the desires of his wives and concubines. It was really a great shame.

**"The Lord shall cause thine enemies that rise up against thee to be smitten before they face: they shall come out against thee one way, and flee before thee seven ways."** - ***Deut. 28:7***.

**"A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee."** - ***Psalms 91:7***.

Even today India is trying to fight against the enemies. We can prepare many atom bombs and chemical bombs etc. It is my strong belief that no enemy would be allowed to enter into this beautiful country unless we lose the wisdom of God. India should know the God is Spirit. As long as the Indians would worship the idols and the graven images they would never be safe under the wings of the living God. Please permit me to tell one or two incidents which took place in my life. As the Lord had revealed to me I am prepared to become a martyr. Yes, God had shown in different visions that I shall be killed by the people and I will become a martyr in the name of Christ. It would be a real blessing to me and I am not afraid of it. Yet I am on the know that nobody would be able to touch me until the Lord would permit them to kill me. For each and every thing there is an appointed time of the Lord.

I had been preaching the gospel near Krishnagiri. A drunkard came in front of me with the very big rod and he came shouting at me and my three associates and all the villagers ran away. All the men and women requested me to come into their house. And that man was fully drunken. But I didn't enter into any house. In those days I was not allowed to enter into any church to preach but I had to go only to the villages every day according to God's command. This drunkard was coming close to me and I raised my hands and said, "Victory through the Blood of Jesus Christ". And that drunkard fell down flat with the rod and I took it from him and asked him to get up. As the Lord had smitten him he could not get up from the floor. And with great difficulty he came to his normal stage. And I gave that rod to him and he became my volunteer to arrange the meetings there itself. Almost all the villagers accepted Christ. Dear Christians, be not offended. These Hindus showed me and my three associates more love and affection than the Christians and I praise God for these dear Hindus who accepted Christ wholeheartedly.

On another occasion I was preaching the gospel near Kanpur long back and a gentleman who was working at Kanpur aerodrome came to kill me with a very big knife. He spoke in Hindi. When he was coming very close to me with the knife I said, "Victory through the Blood of Jesus Christ" and he fell down and I took the knife and gave to him. A large number of non-Christians accepted Christ. The Kingdom of God is not in words but in power. God had raised many people to become Presidents, Chief Ministers and Ministers. But no sooner they allow the pride (dead flies) fall into their hearts the Lord would throw them out from the position and nobody would look at their faces and they would never feel ashamed. What has happened to the respect and the honour? Of course the world would have honoured them with the garlands and the beautiful golden raiments but the dead flies, the pride and the arrogance would spoil their lives and they would be thrown out and the whole world would laugh at them.

In the threshing floor the good grains would also receive the blows when they were being beaten. To remove the grains from the sheaf they should be prepared to receive the severe blows on the stones.

**"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him."** - ***Psalms 126:6***.

In the same way many saints are chosen by God. When they receive severe blows it is good to be beaten to remove the self righteousness. The same temple of God was completely destroyed as the Lord Jesus Christ told His disciples.

**"And Jesus went out, and departed from the temple: and His disciples came to Him for to shew Him the buildings of the temple. And Jesus said unto them, See ye not all these things? Verily I say unto you, there shall not be left here one stone upon another that shall not be thrown down."** - ***St. Mathew 24:1, 2***.

After 70 years the temple of God was completely broken. In the year 1948 Israel became an independent country and God gave them freedom. Even now they are trying to build the temple of God again in the same place. And they were prepared to offer a huge amount to the dear Arab Muslims but they refused to give that site to build the temple of God. On account of the sins of Solomon the whole land is in distress. Even today they are trying to find the real peace but they could not. Let us be very careful to lead a holy life. Please don't allow the dead flies to defile the apothecary. Please don't feel proud of yourself. God is no respecter of persons. If you don't humble yourself you shall never enter into the Kingdom of God. I warn you very sincerely .We are nothing but dust in the sight of God (**Galatians-6:3**).

**March - 2002**

# Hidden Secrets in the Gospel

Part – X

**J**OSHUA was a great man of valour to lead Israel into Canaan. I wish to bring seven more points regarding Joshua and his precious life.

1. Moses the great man of God laid his hand on Joshua and prayed for him and he was filled by the divine wisdom.

"And Joshua the son of Nun was full of the Spirit of Wisdom; for Moses had laid his hands upon him: and the children of Israel hearkened unto him, and did as the Lord commanded Moses." - *Deut. 34:9*.

Joshua was really so bold to lead many lakhs of Israelites into the wilderness.

2. **"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success."** - *Joshua 1:8*.

Joshua obeyed the voice of God and he was able to meditate the commandments given by the Lord through Moses.

3. River Jordan was swelling and on both the sides the water was flowing.

**"And as they that bare the ark were come into Jordan, and the feet of the priests that bare the ark were dipped in the brim of the water, (for Jordan overfloweth all his banks all the time of harvest). That the waters which came down from above stood and rose up upon an heap very far from the city Adam, that is beside Zaretan: and those that came down toward the sea of the plain, even the salt sea, failed, and were cut off: and the people passed over right against Jericho."** - *Joshua 3:15, 16*.

Joshua was able to walk through river Jordan with his people. It was very strange that the land became dry inside the river. That is the supernatural power of God.

4. They were carrying the ark of God and all the Levites and the other people reached ashore and the water gushed again inside the river.

**"And it came to pass, when the priests that bare the ark of the covenant of the Lord were come up out of the midst of Jordan, and the soles of the priests' feet were lifted up unto the dry land, that the waters of Jordan returned unto their place, and flowed over all his banks, as they did before."** - *Joshua 4:18*.

5. Joshua and Israelites were circumcised.

**"And the Lord said unto Joshua, This day have I rolled away the reproach of Egypt from off you. Wherefore the name of the place is called Gilgal unto this day."** - *Joshua 5:9*.

6. Joshua and his men praised God according to God's command and the walls of Jericho fell down and the idols were broken down.

II Thess. 2:3 For that day shall not come, except the man of sin be revealed.

**"And it shall come to pass, that when they make a long blast with the ram's horn, and when ye hear the sound of the trumpet, all the people shall shout with a great shout; and the wall of the city shall fall down flat, and the people shall ascend up every man straight before him." - Joshua 6:5.**

7. This is the most important thing that we should remember in the life of Joshua and it is a warning to me and to you and to everybody on this earth.

**"Israel hath sinned, and they have also transgressed my covenant which I commanded them: for they have even taken of the accursed thing, and have also stolen, and dissembled also, and they have put it even among their own stuff. Therefore the children of Israel could not stand before their enemies, but turned their backs before their enemies, because they were accursed: neither will I be with you any more, except ye destroy the accursed from among you." - Joshua 7:11, 12.**

Israel took the cursed things in their midst. The Lord told Joshua that he would not be in their midst if the cursed things would be in their hands. The picture of Joshua is very wonderful. Joshua was a great man who received very good training from Moses who spoke with God face to face. As the Lord gave the privilege to Joshua to distribute many portions of the land unto Israel, Christ the Living God is anxious to distribute the most holy land in heaven. It is the heavenly Canaan where we are going to inherit the holy kingdom. It is the will of God that we should be steadfast, strong wise and we should lead a very holy life.

**"Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee." - Isaiah 26:3.**

**"Ye shall observe to do therefore as the Lord your God hath commanded you: ye shall not turn aside to the right hand or to the left."**

**- Deut. 5:32.**

**"Have not I commanded thee? Be strong and of a good courage; be not afraid neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest."**

**- Joshua 1:9.**

Joshua suffered on account of a single man Achan.

## **THE DIVINE SECRET HIDDEN IN THE WORD OF GOD**

It is the face that the Lord was with Joshua. But Christ says that He will abide in the heart of a man provided he loves the Lord with all his heart, mind, soul and spirit. Let us examine. How is it possible for the human being to seek the living God and abide in Him. Man is very feeble. He is a germ in the sight of God. He is practically a work as the word of God says. There are many millions of germs living in the body of a man. Some scientists say that the total length of the nerves in the body of a man is 12,000 miles. God alone knows the exact details. Yet the living germs in the blood vessels are very active and they are hidden in the blood of a man.

**"For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul." - Leviticus 17:11.**

Only because of these blood vessels man has the divine sentiments to know the divine fear hidden in the body of a man. Otherwise he would be like an animal on this earth and the people who think that there is no God are like animals on the earth. **"For the things which are seen are temporal; but the things which are not seen are eternal." - II Cor 4:18.**

## **A REAL INCIDENT**

In one of the biggest hospitals in England eleven eminent doctors from all over the world brought a very big beaker made of glass and other many metals and the beaker was extremely beautiful because it consists of 12 metals mixed with each other. They made a decision to examine the soul of a man which would come out of the body of a man on the day of death. And the beaker was about 7 feet length and 3 ½ feet breadth and it was affixed by strong rubber at the bottom. All these eminent doctors and many other ordinary physicians came together. Without any rest they were continuously staying in the room where an old man of 83 is facing death. And the old man gave it in writing that he is prepared to give his spirit which would depart from his body at the time of his home call. He was a very good Christian. Accordingly he signed the papers and there were a large number of people in the hospital to see how these eminent doctors would capture the spirit in the soul of a man. The heart beat of the elderly man was decreasing and when he was about to die they kept the beaker on the body of that old man who was bone and skin. There was no strength in his body as he has not taken any food except little bit of liquid. It was in the exact time that they kept the beaker on the body and his spirit departed. Do you

Zephaniah 1:15      That day is the day of wrath.

know what had happened? Praise God! Within a second the beaker was broken to pieces which were very strong one and even three people can't carry at a time. There should be at least 6 or more people to carry the beaker but they could not stand before the beaker and the eminent doctors were hurt by the pieces of the beaker. They could not take away the departed soul and the spirit of the man. Man is man; God is God.

Everywhere people are trying to analyze many things and they think that they are the great physicians and specialists but they are nothing before God. If any man would not be knowing about his soul he is only an animal.

Around the world the people are satisfied with the things of the world and they tried to occupy the piece of land and they think that they have acquired everything. No not at all. There is the Kingdom of God. We should inherit the Kingdom and live there happily. Even today God wants you to worship Him in truth and in spirit and such people would inherit the invisible Kingdom of God, new heaven, new earth and New Canaan. Everything is anew.

**Joshua 8<sup>th</sup> Chapter.** The beautiful city Ai was very rich.

**"And the Lord said unto Joshua, stretch out the spear that is in thy hand toward Ai; for I will give it into thine hand. And Joshua stretched out the spear that he had in his hand toward the city." - Joshua 8:18.**

Joshua sent 30,000 warriors and he got the victory. About 12,000 people died. After seeing this and the powerful God's chosen people Israel the people of Gibeon made a trick and they told a lie to Joshua that they had come from a very distant place but as a matter of fact they belong to the same place near Jerusalem.

**"And these bottles of wine, which we filled, were new; and, behold, they be rent: and these our garments and our shoes are become old by reason of the very long journey.**

**"And Joshua made peace with them, and made a league with them, to let them live: and the princes of the congregation sware unto them." - Joshua 9:13, 15.**

The people of Gibeon showed themselves to be strangers and Joshua believed them and accepted their victuals. According to the Holy Scripture Gibeonites were like thorns, thistles and briars. The Lord had already told Moses that they should not have any fellowship with the outlandish people who would spoil the divinity in the land. Joshua was a real saint and the dead flies had fallen in his won heart. He didn't wait upon God. He didn't enquire the living God. He didn't pray more. He didn't wait for the answer from the living God. and he was hasty.

**"He that believeth shall not make haste." - Isaiah 28:16.**

Moreover Joshua made a covenant with them that they would live in his country peacefully.

**"And they answered Joshua, and said, Because it was certainly told thy servants, how that the Lord thy God commanded His servant Moses to give you all the land, and to therefore we were sore afraid of our lives because of you, and have done this thing." - Joshua 9:24.**

Joshua could not discern and accepted these outlandish people and they became thorns in the land of promise.

**Joshua 10<sup>th</sup> Chapter** is something wonderful.

**"Then spoke Joshua to the Lord in the day when the Lord delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the Valley of Ajalon." - Joshua 10:12.**

The Amorites could not stand before Israel and the moon and the star stood in the same place until he found victory. This was singularly unique incident in the life of Joshua. It is a fact God used Joshua in a very wonderful way but he was deceived by the Gibeonites and so the dead flies had spoiled his heart.

Even today there are many civil wars in Jerusalem. Yes it is the holy land but how is it that the people fight with each other. We should be very careful to lead a very holy life on this earth. With whom do we have fellowship on this earth. God doesn't wants you to hate them. God doesn't want you to kill them but you should

be very careful to have fellowship with ungodly people. **II Corinthians 6<sup>th</sup> Chapter.** Many people start business with the ungodly people who have no faith in Christ. The ungodly people are the ungrateful people. And they are deceived by them and so the family would suffer and the children would become astray.

When I was in Jerusalem God gave me the privilege to preach in the Baptist Church. There was a very big crowd. I was preaching in English and the Presbyterian-in-charge of the Baptist Church translated the message. When I was telling them that I have seen Christ face to face on the 9<sup>th</sup> May 1963 and spoke with the Lord for 35 minutes all the people wept bitterly. I told them very boldly with the access of the Holy Spirit that every saint or the people should be very careful about the dead flies. No sooner a man would allow the self righteousness immediately the dead flies would fall into his heart and the apothecary will be stinking with the bad smell. And all sorts of diseases would torment him. Of course he will run to the hospital. I don't say it is wrong to go for the best medicines but one should be on the know of your own self. A little bit of pride or arrogance will spoil your precious heart which is the citadel of God. Can you say very boldly that you are not proud? Please don't be foolish in the sight of God. I cried day and night so that I may not become proud in my little heart. Many dear ones called me and they wished to honour me with the doctorate degree and I refused and I don't wish anyone to praise me. All these worldly degrees will spoil the beautiful apothecary. If the people would accuse me for nothing I take it for granted that God has permitted them to make me more holy. Alleluia! It is good that Joshua was a great man of God. On account of Achan Israel was defeated.

One more secret I would like to share with you. All the saints would lead a very holy life in the beginning but when they are strengthened and no sooner they would be enriched with the worldly pleasures unknowingly and automatically the pride will enter. I know pretty well that you may not agree with me. You may be the anointed vessel of God. You would have done many miracles, signs and wonders but you are nothing. You have done nothing. It is the Spirit of Christ who uses you to glorify His name. In my life I have seen 11 dead people came to life. This how can I boast. If I feel proud of myself then I am only an animal. I would become an ungrateful dog in the sight of God. God uses me like a broom and no one will keep the broom on the table. After using the broom the scavengers or stewards or housewives would throw it to a corner. We should be very conscious that we are nothing before God. That is the greatest standard in the spiritual life of a saint. Let us lead a very holy life. May God bless you and protect you under His Wings.

# Hidden Secrets in the Gospel

Part – XI

## ***Samuel and the anointing of the Spirit***

The Book of Samuel is very precious. It is quite true that the people of the worldly wisdom will never understand it. But it is a fact that the Lord had revealed His mysteries to very ordinary people who are dedicated and consecrated for His Service. When the mother Hannah was praying for a child she cried unto the Lord without making any noise. She was not making any noise because she was anxious to hear the voice of God.

**“And it came to pass, as she continued praying before the Lord, that Eli marked her mouth. Now Hannah, she spoke in her heart; only her lips moved, but her voice was not heard: therefore Eli thought she had been drunken.” – I Samuel 1:12, 13.**

This prayer is something very wonderful. She poured out all her feelings, desires, anguish and sorrows before the holy feet of the living God. Her lips were moving but no noise. Eli the Chief Priest thought that she was in drunkenness. It was really lamentation. I learnt a great lot from these golden verses. I was not praying for a baby but I was praying for a spiritual child. I could not cry outwardly but my spirit was groaning within me. I learnt to pray like Hannah.

## INCIDENT

About 28 years ago a public meeting was arranged on the road as there was no other ground available. Many thousands of people gathered together. Of course there was a beautiful church but the people had been listening to the word of God on the road side. When I started praying for the dear people who gathered there many of them were rolling down on the floor. I felt sad to see the people falling on the floor without any mat. The organizers could not control the crowd as they tried to come forward to receive the blessings and so I

Psalm 78:21 A fire was kindled against Jacob.

requested the people to enter into the church to be anointed by the Spirit of God and so a portion of the crowd was allowed to enter into the church. A young girl received the supernatural power of God and she was in the ecstasy of joy and she was taken up into heaven in the spirit. It is mystic to understand such experiences. She was with the Lord but the Pastor of the church went near her and took her hand and said, "Why do you fall down? Why do you roll down? What are you telling now? Your lips are uttering something. Get up, get up!" And within a minute the girl got up and she began to weep and told the Pastor, "You have disturbed me. I was with the Lord and the Lord was telling me very wonderful things and you had not permitted me to be in heaven and to rejoice in Him. The Pastor was not able to understand the great things of God.

I returned back to another village to take rest in a school building and the same little girl of 9 was brought before me on a bullock cart by her parents and they wept bitterly and told me all the things which had happened in the church. After few minutes I started praying with the family. And the tears were flowing from my eyes. Again I laid my hands and prayed for her with tears like Hannah and the Lord took the girl again to His Holy presence and she became a great prophetess and God is using her very wonderfully. After 32 years I received a letter from the same family how the Lord had been using their daughter. Thanks be to Christ.

Dearly beloved ones, the worldly people would certainly measure your integrity and tranquility in their own balance and they would never be able to understand the great things of God but we should be very patient and we should not offend any one. Our God is great. Eli the Chief Priest could not stop his children who committed heinous crime and the Israelites felt very sad to bring their offerings into the temple. They became Scottish children.

**"Also before they burnt the fat, the priest's servant came, and said to the man that sacrificed, Give flesh to roast for the priest; for he will not have sodden flesh of thee, but raw". - I Samuel 2:15.**

They didn't like to receive the sodden flesh but they wished to have raw flesh.

The spiritual meaning of this verse is this. Even today the people wish to have their hearts to be raw and not sodden but it is the will of God that our body, mind and soul should be in the Divine Fire and then only we can resist the powers of darkness. Many people are like raw flesh like Hophni and Phinehas the sons of Eli. Please don't be offended. Many millions are hospitalized because they don't allow the flesh to be roasted in the Divine Fire. We should have the Divine Fire within the heart, soul, mind and the spirit. Our God is great.

**"Now the sons of Eli were sons of Belial; they knew not the Lord." - I Samuel 2:12.**

Hannah the great woman who was the wife of Elkanah gave us a very wonderful teaching through her tearful prayers.

**"Therefore also I have lent him to the Lord; as long as he liveth he shall be lent to the Lord. And he worshipped the Lord there."- I Samuel 1:28.**

In this present modern days we are very much worried about the education of the children. I don't say it is wrong to give good education to the children. But there should be at least one child to become a prophet to hear the voice of God and anoint the people afresh with the divine wisdom.

**"And the child Samuel grew on, and was in favour both with the Lord, and also with men." - I Samuel 2:26.**

Samuel became a great prophet when he was very young, whereas Eli the Chief priest didn't give one of his children to become a man of God. Most of the children are hospitalized because the parents have no knowledge and wisdom of God.

When I was 12 years of age I said one word 'cinema' and my daddy brought forth a whip and gave me 12 severe blows and I fell down flat on the ground and I could not get up for three days. He said very loudly that the cinema theatres are built only for the fornicators and blasphemers. My daddy is not here on the earth. I thought of running away from the house but my mother spoke with me very kindly and said unto me that the world is vanity and the desires of the world will take a man to the hell of fire. The love of the world is an enmity with God. Again my mother told me that I would be going to England, Europe and other parts of the world to preach the word of God and she insisted that I should read the Holy Bible in English also. Now I thank and praise God for my precious parents who are with the Lord now. Alleluia!

Hannah the mother of Samuel used to bring pretty garment for her precious son every year. Eli blessed her and her husband Elkanah as they dedicated the child Samuel for the service of God. Please remember this very carefully. Eli's children had no respect for the father and they didn't serve God and so the precious place was given to Samuel. If you don't keep your child for the God's service God can choose another child in your place.

**"And the Lord visited Hannah, so that she conceived, and bare three sons and two daughters. And the child Samuel grew before the Lord." - I Samuel 2:21.**

The first born belongs to God (**Exodus 13:1-4**). No sooner I enter into the few houses, the parents speak only about the education to their children. They never talk about (1) dedication, (2) anointing of the Holy Spirit, (3) how the children are being used by God as a mighty weapon of war in His invisible hands.

**"Thou art my battle axe and weapon of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms."**  
- **Jeremiah 51:20.**

A large number of people are coming into our Jesus Comes Garden and many children are being tormented by the evil spirits. One day a precious family brought a son to the Garden. And the boy was not aware what he was doing. After many prayers with tears I sent him back home with the promise to the parents and the same boy was healed completely and he came to the stage on the second Saturday fasting prayer and gave the testimony in the midst of more than 4,000 people. I told them that they should dedicate their son for God's service because the Lord had graciously relieved him from the clutches of the evil spirits.

They took the boy back home and they didn't wish to fulfill the will of God **Ecc. 5:4**. the boy was kept in the shop and he started doing the business and he was alright for a couple of months but they had forgotten to pray in the morning and in the evening and the boy was not reading the Holy Bible. And the same boy got married. Do you know what had happened? **"And the last state of that man is worse than the first."** - **St. Matthew 12:45**. Again he was tormented by the evil spirits. The same boy was brought into the Garden with his newly married wife.

**"Thou shalt not tempt the Lord thy God."** - **St. Matthew 4:7.**

**"Whatsoever a man soweth, that shall he also reap."** - **Galatians 6:7.**

When I asked the parents what had happened to the vow they had made before the Throne of God? What had happened to the testimony that he would serve the Lord?

The parents had spent many lakhs of rupees in the hospital to release the boy from mental tension. And the same boy looked very bad. And I wept bitterly. I was not angry with them.

**"And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none".** - **Ezekiel 22:30.**

And the Spirit of God told me that the boy would not be healed and I cried like a child.

My beloved parents and my darling children, I heard the voice of God very clearly. Please don't be offended. My son there are two types of people on the earth. One big group of people would never enter into the Kingdom of God as they had forsaken the sweet will of the Most High. Eternal fire! Eternal fire! Eternal fire! And the other group of people would dedicate at least one child for God's service. They would be very simple, humble, polite with the real integrity, tranquility and uprightness. They would enter into the Kingdom of God like Lazarus who was a very poor man who had been taken in the bosom of Abraham (**St. Luke 16:19-26**).

Samuel the prophet had never been to any school. But he became a very great prophet of God to hear the counsel of the Most High. What a wonderful standard! I was also anxious to become the Principal of a college at Kuala Lumpur in Malaysia but I resigned, renounced and renunciated and denied and took up the cross to follow His footsteps. Now I have gone round the world to preach the dynamic word. I don't fear any human being.

I tried to prove that Christ alone is the living God. I challenge the whole world that Christ comes very soon to judge the world. No one can escape.

**"Moreover as for me, God forbid that I should sin against the Lord in ceasing to pray for you: but I will teach you the good and the right way."** - **I Samuel 12:23.**

Samuel knew very well that the Lord had given him the Spirit of prayer and intercession. He knew very well that it was God's commission to warn the people. In the life of Eli the Chief priest dead flies had fallen into his heart and so he could not use the rod in his hand. It is a fact that Eli warned them from his mouth but he

St. Luke 19:9 This day is salvation come to this house.

didn't dedicate them for God's service. There was bitterness in the heart of Eli but there was happiness in the heart of Samuel the prophet. You may think that you are a very big man on this earth. You may be a Chief Priest or a very prominent Presbyter of a very big church but if you don't give at least one child for God's service you would be considered to be a wicked man on this earth. Be careful! You can't play with God. You can't play with God. You can't change the word of God. **St. Matthew 24:35; St. Mark 13:31; St. Luke 21:33.** May the Heavenly Father protect you under His wings. Let us be very careful that the dead flies may not spoil the precious apothecary. Amen!

May - 2002

# Hidden Secrets in the Gospel

Part-XII

## **An Epistle to the servants of God, presbyters of the churches, the prophets and the dear evangelists**

Around the world we see the Divine Fire glowing to consume the powers of darkness. I am extremely happy to see many saints coming forward to defeat the enemy, the fallen angel, the satan and the prince of the air who is Lucifer. One should be aware of the fact that there are two types of battles – one on this earth and the other one in the air. Foolish people on this earth can't understand the great things of God because they are spiritually blind. As we are on the last days the evil powers are trying to dominate and control the world. And Lucifer is very anxious to establish his kingdom on this earth. Of course he is powerful to do it. But our Lord Jesus Christ who found victory over death is more powerful to defeat the enemies. Without battle there is no victory. Without victory there is no reward. Without reward there is no joy. There should be battle everywhere. The battle is between the natural man and the spiritual man. The battle is between the God's chosen people and the children of the devil.

God has given the spiritual sword which should be sharp to kill the enemy. How can we sharpen the sword?**Heb. 4:12.**

There should be fire and in the melting position the swords are being sharpened. In the same way every heart of a man should begin to burn to sharpen the divine word which is the invisible sword. How can we receive this Fire? We must have the zeal of God.

**"For the zeal of thine house hath eaten me up." - Psalm 69:9.**

Those who are sluggish, lazy and useless to eat and die like animals. The kingdom of God is not to eat and drink but it is the supernatural power.

**"For the Kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost." - Romans 14:17.**

**"Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the son of man shall give unto you: for Him hath God the Father sealed." - St. John 6:27.**

God has created us to lift up the divine banner of the Cross. We are the soldiers of the Cross. Amen! Moreover our precious Lord is very much pleased to see many youngsters who have come forward to do His service victoriously. Alleluia!

**"A bruised reed shall He not break, and smoking flax shall He not quench, till He send forth judgment unto victory."- St. Matthew 12:20.**

Recently I had been to many churches. Though the elders are slumbering and wasting the time the youngsters have come forward to lead the churches and to bring the non-Christians (the gentiles) into the fold of Christ. The tormenting spirits of darkness are so angry to discomfit all the living saints but there is no place for him to enter into the churches because the Fire is glowing around the churches today because of the ardent prayers of the living saints.

St. John 4:22 For salvation is of the Jews.

Recently I met a large number of young men and women who have come forward to wrestle against the powers of darkness. They are not very rich and they are not highly educated but they are very simple people of the poor background but they are enriched with divine power. Praise God! Amen!

**"Lest satan should get an advantage of us: for we are not ignorant of his devices."- II Cor. 2:11.**

Recently I was in meditation and I had been praying for a large number of young people who had written to me that they had dedicated themselves for God's service. The Spirit of God said very clearly that I should pray more for them to do God's service powerfully. This is my humble request to all the living saints that we should help such young people who come forward to do His service. We have to pray for them and help them in every way to go forward in this battle ground. As far as possible you should not allow these dear people to talk about the denominations. It is really shameful to talk about these denominations in these last days of His second coming. During the days of St. Paul there were many divisions which we call them denominations.

**"For first of all, when ye come together in the church, I hear that there be divisions among you; and I partly believe it. For there must be also heresies among you, that they which are approved may be made manifest among you."- I Cor. 11:18, 19.**

I heard the voice of God again very clearly that these dear people would never be able to reach the unreached with the passion for the perishing souls unless the dear saints would be united in the spirit. In those days the dear people were divided and the righteous and the unrighteous people were divided but now God wants all the spiritual children to be united to fight against the enemy who is the poisonous serpent. I don't say that we should commit sin and join all the people. There are many idols and graven images in the churches today and I don't say that we should go and worship those idols because it will grieve the Holy Spirit. It is worse than adultery to stand before an idol or a graven image. Christ is the Spirit Divine. The Holy Spirit is abiding in Him. The Heavenly Father who is the potentate is also abiding in Him. Three in One and One in Three. But the manifestation is different. It is not possible to explain everything with the human knowledge and wisdom. If you ask an ant to explain about an elephant the ant can't give a proper answer. In the same way man is nothing but dust in the sight of God. Our God is all powerful. He can command the waves, clouds, sun, moon and all the mars to be removed from the universe. Recently the scientists have found out that the icy blocks are available in the mars. And the scientists had written that the day will come very soon that the human beings would be able to remove those ice blocks and throw them into the oceans to make it afresh. Today the water is defiled in the sea as well as in the ocean.

With these divisions of churches we can't enter into the Kingdom of God because we blaspheme the Holy Name of Christ. In those days there were many divisions to establish the churches. Now the time has come that we should be very careful about the invisible church. Our own hearts should be purified and sanctified by the Blood of Christ, the Word of the Living God, the Holy Spirit, the Divine Fire and His Holy Name. If you don't understand this you are going to be a foolish man that will take you to the self righteousness. Self righteousness is the worst sin. **Gal. 6:3.** We are nothing before God. Christ comes very soon to judge the world. How can we divide ourselves? Are we not ashamed of ourselves? Union is the real strength. Again I repeat we need not commit sin but we can warn them when they commit sin. In the meantime we can't insult and displease the people. The wrath of a man will not bring forth the righteousness of God. He must be humble. Suppose if you are a holy man and another man comes from another church who is leading an unholy life you can make use of the sword of God (Word of God) and cut away the secret sins. In case if he would not accept your counsel then you can consider him as a stranger but you should not hate him. He is your brother. He is the creation of God. We all belong to Christ. Today he may be a sinner. One day he would begin to shine as a living saint. The first will become the last and the last will become the first. God can capture the souls with the Spirit of rapture. Alleluia! Amen! These are the last days of His coming and so the Spirit of rapture is working very powerfully. What does it mean by the word rapture? That is the secret coming of Christ to take away the Holy Bride.

## INCIDENT

One day a large number of buffaloes were grazing in the forest and they were very happy because they had enough grass. They were enjoying as if they had come for a picnic. Some of the buffaloes were dancing because they were very happy. Even today there are many cinema actors who are dancing very beautifully like these buffaloes and the world is praising them. Of course they don't know what will happen to the departed souls.

Psalm 74:12 For God is my working salvation in the midst of the earth.

A very big lion and another lion were coming from a distance. They were trying to catch hold of one small buffalo. Anyhow the lion was emboldened to take hold of one small buffalo. It was noticed by the other buffaloes and all of them joined together and the lion tried to escape from their hands. It was not possible and they gave severe blow to the lion and they put him into death. No animal was able to come near these buffaloes because they were united as one family and they had no difference.

Another day these buffaloes had been fighting with each other and so they were divided and scattered into different areas in the forest. One buffalo was very strong and extremely proud and he thought that he should be the King or the Chief Minister of the forest. He was all alone walking majestically like a Chief Minister. A very big lion was coming from a distant place. This buffalo said in his heart that all the buffaloes should obey him and was repeatedly telling in his heart that he should be like a King of the forest. And the lion came and gave a severe blow on the head and killed this big buffalo and all the other animals including the wolves gathered together to suck the blood. And that was the end of this big buffalo.

In this way there are many Christians who are fighting with each other. These denominational barriers have become stumbling block for the gentiles to accept Christ. I am extremely sad to tell you about an **INCIDENT**. In the year 1965 I entered into the Rashtrapathi Bhavan to meet Dr. Radhakrishnan the former President of India. When he saw my face he asked me one word. Are you a catholic or a protestant or a Pentecostal man? I said to him I don't believe these denominations. I believe Christ and I don't say that I am a Christian. You should find me whether I am a Christian or not.

**"And it came to pass, that a whole year they assembled themselves with the church, and taught much people. And the disciples were called Christians first in Antioch."- Acts 11:26.**

Dr. Radhakrishnan, the former President of India was extremely happy to hear the glad tidings of Christ who became a sacrificial Lamb. According to Sama Veda the Hindu scripture an unblemished goat should be sacrificed on the altar for the propitiation of the sins of the world. And Christ came and offered Himself to be a living sacrifice for all. Yes, the President requested me and others to pray for him. I was really so pleased to see his humility. Yes, few of us cried and prayed for him because his soul is also very precious in the sight of God.

My beloved ones there are a large number of people who wish to accept Christ. But the Christians have blasphemed the name of Christ. Our God is great. We should be united in the spirit. One angel was able to kill 1,85,000 Assyrians. **(II Kings 19:35)**

There was a young man who was only 23 years of age who attended the Bible College in the Jesus Comes Garden in the year 1983. he was really very humble and he was a son of a Hindu priest in Singapore and now he is preaching the word of God around the world and the Lord is using him very powerfully and so I am extremely happy. It is my burning desire that you should also serve God.

**"A little one shall become and thousand, and a small one a strong nation: I the Lord will hasten it in His time."- Isaiah 60:22.**

**"And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword." - Lveiticus 26:8.**

When St. Paul was in the ship there were 276 people with him and they were proceeding to the island called Melita **(Acts 28<sup>th</sup> Chapter)**. They were all united in the ship and the sincere prayers of St. Paul had brought them to the haven (sea shore).

Another interesting story I wish to share with you. Please don't be offended. A gentleman came to the Garden with his family and told me that he had seen many dolls in his church. The church was very huge and the music was very beautiful but he was not able to look at the idols and the dolls. He told me that he would like to join another church where they would worship God in truth and spirit. But I told him, "If you would leave the church what would happen to the congregation there? When the people see your holy life and your tearful prayers they would also come to the knowledge of God very soon". He accepted my counsel. He started going to the church with his family and prayed in tears. And even after the service he began to teach them from the gospel very carefully. The Pastor of the church was also very happy to co-operate. And what happened? Very soon the idols and the graven images and the dolls were removed from that beautiful church and many thousands received the baptism of the Holy Spirit. God raised many prophets and prophetess. Praise God. There is unity in the church. Nothing is impossible with God. Dearly beloved ones, let us not provoke the people to angry. In stead let us be very patient with long suffering and give the counsel of God the Divine Bread, the Living Epistle, the Word of Christ, the Word of Power and the Word of Authority. God bless you richly. Amen!

**June – 2002**

**A Special Epistle for the Servants of God who Labour  
in the Vineyard of God**

**Hidden Secrets in the Gospel**

Part–XIII

As there is very little time for the soon coming Christ the satan is extremely vigilant to bring down disaster among the servants of God so that they may not go forward to proclaim the living word.

**“And they overcame him by the Blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.” - Revelation 12:11.**

It is really so interesting to know that the satan who is the fallen angel is extremely clever to bring forth disunity among the servants of God and the different denominations.

This is the divine secret that all the evangelists, under shepherds, the Bishops and the other servants of God should be united under the wings of the Lord to take the banner of love which is the cross divine. Otherwise they would be called foolish people. Look at the cunning craftiness of the devil telling everybody that you are very righteous people and He will never permit the other denominations to join the certain denominations. Many churches try to expose to the society as if they are more righteous than the other churches.

I wish to write an incident which may offend you and disturb your heart because the satan would not permit you to accept the divine truth. Such blasphemers' words would come forth from the self righteous group. They are really very dangerous people. If I don't write the truth I would stand before the judgment seat of God as He is coming very soon not as the Lamb of God but as the Judge of judges. O' unto me if I don't reveal this to you.

**INCIDENT**

I had been preaching on the top of the hillock near Ulamalakkal. It was a small church but the crowd was very big. A boy of 19 years old was brought from Manur and the parents were crying. The name of the boy was Balan. The parents told me that they had taken the boy to Sabarimala three times a year for about five years. He used to suffer on account of the fits and he rolled down on the floor and it would be very difficult to control him. The boy was very violent and the parents suffered excruciating agony. They were staunch ardent Hindus who had not heard a single verse from the Holy Bible. As they had lost many lakhs of rupees they had nothing to spend for him. Finally the boy was brought to the Jesus Comes meetings on the hilltop.

The Pastor who belonged to the International Zion Assembly came to me and told me that they had kept this boy for about 40 days in their faith home to pray for him so that he would be healed from the clutches of the powers of darkness. Though they had fasted for 40 days and prayed for Balan he was not relieved and many names of the spirits of darkness came forth from the mouth of the boy. And they tormented him day and night and said they would never leave the body of this boy as they were sucking the blood of the boy. After hearing this a large number of people gathered from different places, because they had been worshipping them as their gods and goddesses. I kept quiet but I was shedding tears.

**“And unto this people thou shalt say, Thus saith the Lord; Behold, I set before you the way of life, and the way of death.” - Jer. 21:8.**

**“Hear my prayer, O Lord, and give ear unto my cry; hold not thy peace at my tears: for I am a stranger with thee, and a sojourners, as all my fathers were.”- Psalm 39:12.**

I love the non-Christians more than the Christians because I belonged to a very staunch Hindu family before accepting Christ as my living Saviour. If I would tell anything about the names of the other spirits of the non-Christians it would offend and disturb the feelings of my dear people and so I never opened my mouth but I was groaning in the spirit. According to the golden verse of **Psalm 39:12** there are three important points I had derived at the feet of God. 1) Prayer, 2) Call Him, 3) Tears of Agony.

Psalm 34:14 Depart from evil, and do good.

All these three points had given me additional strength because it is easy to pray and to call but it is difficult for a person to shed tears of compassion. As the crowd increased all the people shouted and prayed for Balan but he was rolling on the ground and there was no response for their prayers. No one was able to control him as he was really very strong and violent.

I heard the voice of God, "Take him to the room and pray for him with tears". I took the boy and his father and I didn't allow even the other Pastors to join us. I remembered the golden verse. Whatever may be the revelation or the prophetic utterance it should be based on the word of God otherwise it is only a deception.

**"And when Jesus came into the ruler's house, and saw the minstrels and the people making a noise, He said unto them, Give place: for the maid is not dead, but sleepeth. And they laughed Him to scorn. But when the people were put forth, He went in, and took her by the hand, and the maid arose." - St. Matt. 9:23-25.**

Christ sent out the people. The Lord didn't show love to the people who were with Him in that particular room. Do you think that He had no love for them. But the Lord could not perform a miracle in the midst of the unbelievers. Disbelief is the worst disease. Self-righteousness is the dangerous disease which is incurable. That is why I had to send away all the people and I didn't allow anyone to accompany me inside the room. They wanted the boy to be relieved from the clutches of the evil spirits but I could not see whether they accepted Christ in their hearts and they had not received the baptism yet. They wanted the healing for the boy but they never received healing in their hearts. It is the fact that they too had fasted and prayed but they had not accepted Christ wholeheartedly. Thanks be to God.

The boy was healed within a couple of minutes. I brought him out of the room and then the boy was sitting like others and he took the Holy Bible in his hand and began to read in Malayalam. When the people saw this they were extremely happy. The same boy testified in the evening open air meeting.

Please don't be offended my darling children. You may be a great man of God. The world may praise you and they could have given you 'Doctor' degree also. But you must be aware of the fact that you are nothing but dust in the sight of God. We are the children of God and we have the inheritance through the Blood of Christ. Whatever may be the case we should be aware of the fact that we are nothing before Him and we can't do anything without Him. We should be conscious of the fact that we are the unprofitable servants as the Lord had told very clearly in **St. Luke 17:10**. The miracles take place because of the divine power hidden in His Holy Name. When I was a foolish man I too prayed in the name of Jesus to relieve the people from the clutches of the evil spirits but I failed in my attempts. After a long time I heard the voice of God, "Don't tell in the name of Jesus alone but rebuke the devil in the name of Jesus Christ." So I rebuked the powers of darkness in the name of Jesus Christ. The name Jesus denotes Saviour who redeems the man from the sin. Christ means He is the one who is the Baptizer in the Spirit and Fire.

O' my darling children I beg of you not to be ignorant like me. I beg of you to tell "Victory through the Blood of Jesus Christ" and then you may see the divine power gushing into the inner most recesses of the being of the person to take control of him. Please don't give room even for a little pride in your heart. You are nothing and I am nothing. Your denominational barriers bring forth shame to the world. You may not like to hear the admonition. How long you are going to be foolish? Christ comes very soon to judge the world. Let us not have any difference. It is false pride that has become the stumbling block for the Spirit of God to move in the midst of the society. Let us not grieve the Holy Spirit.

Balan was not healed on account of my prayer but it is the power of God and I was only an instrument in the hands of Christ. I didn't even touch the boy but the very name Jesus Christ had brought forth the victory. Then what had happened to all these denominations who called themselves as if they were having very high status in the spiritual realm. We can't deceive God. Let us humble ourselves. We are not the animals to fight with each other. Immanuel the greatest bird will come in the name of Jesus Christ to take away the Holy Bride. Behold I come quickly.

**"And the stretching out of His wings shall fill the breadth of thy land, O Immanuel." - Isaiah 8:8.**

Let us prepare the Holy Bride.

July– 2002

# Hidden Secrets in the Gospel

Part–XIV

Most Precious Epistle for the Servants of God

On 22<sup>nd</sup> May 2002 I had been praying in the early morning with the great burden for the Bible College trainees and my co-coordinators from different parts of the world. And I heard the voice of God, "Teach them from Malachi". It is a fact that I had been reading the Book of Malachi so many occasions in my life. It was quite anew to me when I was reading the precious Book of Malachi in the morning. In general the people take the portion of Malachi and tell the people about the love offerings, sin offerings, burnt offerings and the whole burnt offerings but on that day the Spirit of God was teaching so many other things which I had not understood in my life.

1. God the Heavenly Father loved Jacob and hated Esau. Who is Jacob and who is Esau? Are they not brothers? The divine meaning is very wonderful. Esau denotes the flesh of a man and Jacob refers the soul of a man.

There were two brothers in a sweet home and the eldest brother commanded his younger brother to do every piece of work and if he would not do it he used to torture his younger brother without mercy. For many years the younger brother suffered at the hands of the merciless elder brother. Finally the younger brother became a very strong man. One day the elder brother called his younger brother to come and do every piece of work but he refused and attacked his elder brother with all his force and the elder brother fell flat. When the younger brother was able to overcome the elder brother he commanded his elder brother to do every piece of work and the elder brother could not say anything but he had to obey his younger brother because the younger brother became stronger than him. Alleluia! In the same way every man is struggling in the body. The flesh profiteth nothing but the spirit quickeneth.

**"It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life." - St. John 6:63.**

How did that younger brother receive the strength to overcome his elder brother? How did the flesh was discomfited by the spirit. It is because of the divine word which was digested in the inner man and the living word gave the additional strength to the spirit in the soul of a man and the same spirit was able to overcome the desires of the flesh. Only those who overcome the flesh can inherit the Kingdom of God and the Lord will give him the fruit of life and He will give him the fruits from the tree of life. Many people on this earth tried to overcome the desires of the flesh but they are not able to do. Even the Kings, Queens, Presidents, Ministers and the leaders of the world have become ignorant of the divine knowledge and wisdom. They are corrupted by the foolish people. But it is the will of God that every man should be anointed by the manifold wisdom of the living God.

Malachi who was the last prophet in the Old Testament refers to the people who were being led by the desires of the flesh and not by the Spirit of God.

**"They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom the Lord hath indignation for ever." - Malachi 1:4.**

They will build but I shall destroy. Is it not very strange that the living God will destroy the people whom He had created. Yes, whatever may be the highest position on this earth if the people would not live according to the sweet will of God the Lord would certainly destroy them. The Holy Bible teaches each and every individual that there is a limit for the wickedness of a man. Our Lord and Saviour would never destroy any man immediately. He would permit him to go to the highest extent of his wickedness and the world will be surprised to see his wickedness on the earth. Whether it would be in the business or in the trade or in the position in the Government the Lord would completely ignore and He will allow him to go higher and higher in his wicked way but there will be an end.

The border of wickedness, the border of wickedness, the border of wickedness. Never forget this precious word. When you serve Christ the Lord will permit you and others to go to the border of wickedness. There is a

Psalm 27:13 I had believed to see the goodness of the Lord in the land of the living.

limit for everything. Yes, even the wicked people will prosper and the world will say that this man is a very intelligent man. O' he has become a great man in the society. But the danger is already there. He may fall at any moment. He would come to the border of his wickedness. When he falls everyone would laugh at him. Beware, beware the wrath of God shall be upon you. They would be pondering about the higher status in the society and they will never think about the eternal life in the holy Kingdom of God and they will be extremely proud in their hearts. When we look at the face we shall discern that he is a wicked man because the pride will exhibit through his face.

The son will honour the father. The servant will honour his master but there is no fear in the heart of the man as he has not praised God and do His service. The people don't have any truth in their actions. Most of the people on this earth bring their offerings which are rejected in the sight of the human beings. For instance they bring the most unwanted feeble animals as love offerings to the Lord. What does it mean? Do you think that the Lord wants sheep or oxen or an offering? No. It is only symbolic. Our great God will never touch the animal but the living God had taught His children to give his own heart and love him sincerely. Malachi refers the holy will of the Heavenly Father. Cursed be the man who brings an offering which is disabled and defiled in the sight of God.

**"But cursed be the deceiver, which hath in his flock a male, and voweth, and sacrificeth unto the Lord a corrupt thing; for I am a great King, saith the Lord of hosts, and my name is dreadful among the heathen." - Malachi 1:14.**

We should be very careful.

## **INCIDENT**

A family came to the Garden with all the members of the sweet home. The last boy was mentally very sick. They came and told me that they had admitted him in many hospitals for many months. The boy was not healed. As the last resort they brought him to me and I was in tears to pray for the precious son. By God's immense mercy and on account of my humble tearful prayers the boy was perfectly alright within seven days. He was in the Garden and he told me that he would serve the Lord and he would like to go to the villages to proclaim the word. After finishing my humble ministry for few days I returned to the Garden. The boy came to me and requested me to kindly permit him to stay in the Garden. And the boy's parents, his brother also told the same that they had dedicated the last son for God's service. Again he said I must do God's service and I will never return back to the affairs of the world.

**"No servant can serve two masters: for either he will hate the one, and love the others; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon." - St. Luke 16:13.**

I had accepted him gladly. Within five days his father came and requested me to send him back home to be in his shop and do the business as the brothers had gone to the other places and he said that he was not in a position to do the business alone. He requested me to send the boy to his house and I had accepted the same but I never wished to speak more. I know the world is full of evil. The world is being controlled by the satan who is a very cunning fellow to entice the children of God.

After three months the same family brought the boy again to the Garden and he was already married and his wife also came to the Garden with him and she told me that she was in the hell of fire. I could not see any divine compassion in the house. She is being treated as a servant woman in that house. She said that she was not prepared to tell anything else and she wept bitterly. This is the world.

Those who are weak and unwanted would be given to the Lord as the love offering. The Holy Bible says the first born is mine. Hannah brought her first son Samuel before the Throne of the living God. And she had not sent him to any school or to any college. But Samuel became a very great prophet. That is why we have got two books in the Bible I Samuel and II Samuel. Samuel an illiterate child became a very great man of God who could hear the voice of the Most High. Hannah understood the world was vanity and the standard of this world is nothing but dust in the sight of God. I would like to share more in the next epistle. May God bless you richly. Amen! **Exodus 13:1-4.**
